

Early Learning Scholarship – Pathway I Application

Instructions

What is an Early Learning Scholarship?

An Early Learning Scholarship – Pathway I can help your child attend high-quality child care and early education to help your child get ready for kindergarten. The scholarship money will be paid directly to the program of your choice that is participating in Parent Aware. Parent Aware is a rating tool to help parents select high-quality early childhood programs. For more information, visit the [Parent Aware website](https://parentaware.org) (ParentAware.org).

Note: Children may only receive one scholarship within a 12-month period and cannot receive a Pathway I and Pathway II scholarship at the same time.

Where can my child use a scholarship?

You may use an Early Learning Scholarship – Pathway I at any Parent Aware-participating early childhood program in Minnesota that your child attends on a regular basis.

Your child is not required to be enrolled in or attending a program at the time you apply for an Early Learning Scholarship. To find an eligible program, please contact the Child Care Information Services phone line at Child Care Aware of Minnesota (888-291-9811) or visit the [Parent Aware website](https://parentaware.org) (ParentAware.org). You may use these same resources if your child is currently attending a program but you would like to explore other options. Be sure to tell the Area Administrator about your program choice if you are awarded a scholarship.

Scholarship amounts are based on the Parent Aware rating level of the program you choose.

Is my child eligible?

Children must meet age eligibility criteria listed below at the time they are awarded. Children age out of eligibility for the Early Learning Scholarships Program either (a) the day they are age-eligible for kindergarten (age 5 on September 1), or (b) the day the child is enrolled in and attending kindergarten, whichever is earlier. Once a child is awarded a scholarship, they are eligible to continue to receive a scholarship until they age out.

Children must meet one of the following age criteria:

- Children ages 3 to 4 on September 1 of the current school year, or age 5 if not yet aged out of eligibility.
- Children ages 0 to 4 on September 1 of the current school year, or age 5 if not yet aged out of eligibility, who meet one of the following criteria:
 - A parent of the child is under the age of 21 and currently pursuing a high school or general education equivalency diploma (GED)* (must also meet income eligibility requirements); or
 - The child is in foster care or receiving child protective services*; or
 - The family has experienced homelessness in the previous 24 months (must also meet income eligibility requirements)*; or
 - The child has a sibling who has already been awarded a scholarship and attends the same program, as long as funds are available. Applications for eligible siblings do not require proof of income eligibility.

***Note:** Priority for funding is given to children who meet the eligibility criteria with an asterisk (*).

Beginning January 1, 2024, age eligibility will expand to all children ages 0 to 4. Priority for scholarships will be given to children listed in the priority criteria above.

Note: Awards are made as long as funds are available. If a child is determined to be eligible for an early learning scholarship and funds are not available, they will be added to the waitlist.
